The following Order of Government, made in exercise of powers conferred by Sections 4 and 233 of the Mysore Land Revenue Code, 1888, and all other powers enabling them in this behalf, is published as required by Section 234 of the said Code :—

No. R. 3105-44—L. R. 212-06-1, DATED BANGALORE, 11TH SEPTEMBER 1906.

ORDER.—The Mysore Land Revenue Code, 1888, having been amended by Regulation No. VI of 1906, the Government of His Highness the Maharaja take this opportunity of explaining briefly the changes introduced by that Regulation in the existing system of revenue administration, and at the same time of defining the additional powers and duties which it is considered desirable to assign to the Revenue Commissioner.

2. The Mysore Land Revenue Code, as enacted in 1888, reserved power to Government to appoint a Revenue Commissioner, and to assign to him the duties and powers of Government set out in Schedule I of the Code, subject to certain conditions. It has been found by experience to be desirable to formally constitute the Revenue Commissioner as the chief controlling Revenue authority in land revenue matters subject to Government, provision being made in the Code itself for his being vested with the duties and powers which he is to perform and exercise.

Accordingly, the new Section 4 (as substituted by Regulation VI of 1906) declares that the chief controlling authority in land revenue matters is vested in the Revenue Commissioner subject to Government, and defines the duties and powers to be performed and exercised by him. Schedule I, being no longer necessary, has been repealed, and various minor consequential changes have been made in other provisions of the Code with a view to making the same as far as possible identical with the provisions of the Bombay Land Revenue Code.
